GENERAL INFORMATION

The Harbor Beach race is run as the feature attraction of the annual Harbor Beach Maritime festival. The event has many activities for those attending. Live bands Thursday through Sunday, huge fireworks display on Saturday night, beer and food tents, display, lots of race fans and the Can-Am Cup race as well! The town of Harbor Beach does not have any large hotel chains. The city has several small mom and pop motels and some Bed and Breakfasts. The rates are very reasonable in this area. Most racers camp at this race site even - if they are not normally the camping type. There is

just so much to do with the great National Tour racing, fireworks and Can-Am Cup – it is one big party. There are several larger hotels in the town of Bad Axe that is 15-20 minutes away (rates very reasonable). For those camping you can camp right on site although there are only restrooms and wash stations. There is a nice campground in Harbor Beach just a few miles away if you want a campground with showers and other facilities. You are welcome to go there to take a shower if you like. Racers can arrive at anytime during the week. The city is ready and welcome racers to Harbor Beach! Do not miss the US Versus Canada Hockey game on Friday night under the lights!

IMPORTANT INFORMATION

Harbor Beach and the Maritime Festival brings out the red carpet every year in welcoming spectators, friends, and family. This is another perfect race site to camp at as the huge refreshment tent open late at night is right next to the grassy pit area. Live Bands Thursday thru Saturday right on the beach adds plenty of entertainment for the weekend. Every year there is a huge spectacular fireworks display from the Lighthouse that dazzles the crowd on Saturday night. Not to mention the outstanding racing action of the Budweiser / Novi Can-Am Cup as the United States Team competes with Canada for the coveted Can-Am Cup. The US versus Canada game on Friday night is another part of the event you will not want to miss. There is no substitute, this is the real deal and as good as it gets. You will find no better race in the country to attend hands down.
