

RPM Racing Enterprises

Proudly Presents

The APBA Triple Crown 2010 Offshore Endurance Racing Series

LB2CAT 2 Time winner Craig Warner

FIRST RACE

2010 Dana Point to Avalon

PWC Offshore Race

Sunday March 28, 2010 - 9:00am

This race is a 37 mile Offshore Sprint Format. Racers will need to comply with all boating safety regulations and laws. APBA competitor membership is required for participation. All race boats and PPE (personal protective gear) and emergency gear will need to be tech inspected prior to competition. This is the first year that competitors will be running their 2009 earned Triple Crown race plate numbers. The 2010 running will commence with this first event for the cumulative points award system.

The Points format is listed below.

Official Entry Form Application: http://www.pwcoffshore.com/Dana_Point_2_Avalon_Race.html

About PWCOFFSHORE

Open Ocean races comprised of a minimum of 35 miles heading offshore or transiting off the coast. All Competitors are required to abide by Federal, State and Sanctioned safety gear. Racing and boating rules, regulations and recommendations apply at all times while underway. A racer's 'Code of Conduct and Prudent Mariner and Seamanship Skills' apply as stewards of the PWC community. Personal Watercraft are raced by competitors in distance, timed, and transitional runs on courses that compliment the theme of 'offshore' riding, versus inland waterways. Ocean riding consists of weather and water conditions and navigation while underway.
