2010 HYDRO-TURF APBA WATERCROSS NATIONAL TOUR

National Tour kicks off the season at the Bluewater Casino in Parker, Arizona

EASTPOINTE, MI - The 2010 HYDRO-TURF APBA Watercross National Tour, Presented by Mystic Lubricants and Yamaha with Supporting Tour sponsor Sea-Doo, returned to the Bluewater Resort and Casino in Parker Arizona for the opening rounds of the 2010 National Tour on May 1 and 2, 2010. This is the only National closed course race to take place on the West Coast in 2010.

The Bluewater Resort and Casino, which is the host and the Title sponsor for the Parker event, had some of the best closed course racers and teams from around the United States converge to begin the chase for the coveted 2010 APBA Watercross National Tour Championships. Top racers from across the United States were in attendance for the Tour

opener as well as racers from several other countries as well. The event had over 110 racers in attendance at the Bluewater with a large number of new West Coast racers as well as many old National and World Champions that have not raced in many years. The action on and off the water was intense with great racing all weekend. High winds both days, especially on Sunday, made some very challenging race conditions and exciting race action. The race site could not be any nicer for a watercross race and everyone has a great time. There was great racing, many vendors and lots of fun for all. The event was filmed and a half hour show will be produced from each round that will air on the MavTv, Untamed Sports and several other cable networks. Stay tuned for the dates and times.

The next event on the 2010 National Tour will be the National Tour's only surf race on June 5-6 in Myrtle Beach, South Carolina. The Tour also makes stops in Harbor Beach, Michigan; Belle River, Canada and Colonial Beach, Virginia before making the final stop in Nashville, Tennessee for the season ending APBA Watercross Nationals.
