In only its second year of racing and with the 2010 National Finals approaching, Yamaha FZR® racers dominate the top Pro-am classes on the APBA National Tour.

Leading the Pro-Am Runabout Stock and Pro-Am Runabout Open classes is Yamaha racer Dustin Charrier riding his Dean’s Team Yamaha FZR.

“The power of the 1812cc SHO engine is remarkable right out of the box. And we’ve been able to build on top of this platform to really unleash its potential. The results speak for themselves,” said Dustin Charrier,

Yamaha’s Amy Green, and fellow Dean’s Team rider, is leading the Women’s Runabout Limited and Expert Runabout Limited classes.

“The durability and performance of the NanoXcel hull really gives us a confidence level in every riding condition that no one else has,” said Amy Green, current Women’s Runabout National Champion.
