San Diego Bayfair World Series of Powerboat Racing

Presents

The 2010 “World Finals Warm Up”

September 17, 18 & 19, 2010

Championship Closed Course Personal Watercraft Races

Press Release

(For Immediate Release)

RPM Racing Enterprises is proud to announce that the world famous San Diego Bayfair has added professional APBA PWC racing to their weekend of racing on Mission Bay. Dubbed the “World Finals Warm Up” on September 17, 18 & 19, PWC racing will held at Crown Point at Mission Bay. Some of the best closed course teams from around the country will converge at this event as this is the last chance at competition before the World Finals in October at Lake Havasu. All International riders are also invited to participate. With over 15 racing classes of Professional Watercraft hitting the water, the action is going to be non-stop!

This is great opportunity for the fans to get up close and personal with all the racers. It is going to be an event not to be missed, so pack your sunscreen and plan on spending the weekend at Mission Bay and don’t miss a minute of the action. Racing gets underway at 9:00 a.m. both days. We’ll see you on the water!

RPM Racing Enterprises is proud to conduct this prestigious event and include personal watercraft racing at one of the largest attended spectator boat racing events in the world. All the details including the entry form, online registration, and site information will be released shortly.
