HOT PRODUCTS APBA JUNIOR STAR PROGRAM AT THE HYDRO-TURF APBA WATERCROSS NATIONALS

SPECIAL AWARDS FOR JUNIORS AT THE APBA NATIONALS

EASTPOINTE, MI - The American Power Boat Association (APBA) is excited to announce that Hot Products, USA, a worldwide distributor of PWC performance racing and repair parts, together with several other industry companies will once again be supplying great prizes for our Junior riders as part of the Hot Products Junior (JR) Star Program.

Hot Products, Hydro-Turf, Monster Energy and the APBA's support has allowed the APBA to organize a first class program for the Junior racers in the United States as well as present some great awards to reward the Juniors for their 2010 racing accomplishments.

"The Juniors are the future of our sport and we at Hot Products are pleased to be able to support the APBA JR Star Program", said Scott Saito, Owner of Hot Products USA. "The support of the JR Star program and the APBA gives us an opportunity to support the industry and our network of dealers across the United States." The goal with the Hot Products JR Star Awards is to put the word out to all Junior racers in the United States; "The more you put into anything, the more you will get out".

Awards will be presented at the HYDRO-TURF APBA Watercross Nationals in Nashville on Sunday September 5th at the awards ceremony. Thanks to Hot Products, the winner of each APBA Junior National Championship will receive a new BMX bicycle this year. Note – If a Junior wins multiple Junior classes the Junior that finishes 2nd in the largest class will take home the second BMX bike. Other awards for 2nd and 3rd place will include Mat Kits from Hydro-Turf, T-shirts, Monster Inflatables, Goggle Grips and other cool prizes. In addition, all Junior racers will also receive a FREE Hot Products JR Star t-shirt.

Thank you to all the 2010 Junior Star sponsors and especially Scott at Hot Products for supporting our Junior riders! If you would like to join the JR Star Program through sponsorship of prizes for the Junior racers or volunteer help in 2011, please feel contact Patrick Mell at (586) 598-2856 or send an e-mail to patrickmell@aol.com . Remember – It is all about the Kids!!!!

About Hot Products USA

Hot Products is a worldwide distributor of personal watercraft racing performance and repair parts that is 100% dedicated to the PWC industry. The Hot Products High Performance Racing and Repair Parts Catalog is the most complete PWC catalog in the industry. Hot Products has virtually everything you will need for your personal watercraft. From high performance parts for racing, to the widest selection of repair parts and accessories, Hot Products has it all. Every year Hot Products refines and expands its inventory of products and base its inventory in order to meet the demands of dealers worldwide. All these factors combine to make Hot Products a specialist in the personal watercraft industry.
