Biggest Thrill in Racing **Standing on the podium in 2003 with Kelly Skelton and long time racing buddy Donna Boggs. Also, racing in the 1997 Manufacturer`s Cup two weeks after having my son, Tyler, and winning that round.**
Biggest Disappointment **At the 1998 World Finals, I was on the pole for the second moto. At the first inside buoy, the rider next to me cut the buoy and took the top deck off my boat, costing me the chance at the title. Also, breaking my ankle again in 2004 and not being able to race at the World Finals.**
Training **I ride and train my Quarter horse 2-3 times a week, work out at Curves, and power walking. When I am at Body Beach, I enjoy riding buoys on my XPL and Kaw stand-up.**
