

## American Power Boat Association PWR Industry Supporting Membership Enrollment

The American Power Boat Association (APBA) is the sanctioning organization for personal watercraft racing and boat racing events in the United States. The APBA Personal Watercraft Racing (PWR) program provides a valuable service to the industry by providing a safe and fair environment for those interested in experiencing the thrill of racing personal watercraft. Your enrollment as an APBA OEM Supporting Member greatly helps to support the sport and insure its future in the United States.

**You are invited and encouraged to join the APBA as an Industry Supporting Member, and here are a few reasons why you should say "YES" today:**

1. Most of the sports publicity comes from racing.
